Love to the loveless shown that they might love - ly be

C D Em Gmaj9/B Bm

O who am I that for my sake

A/C# D G/B D/F# Gmaj7 F#m/A A D

My Lord should take frail flesh and die

V2:

He came from His blest throne

Salvation to bestow

But men made strange and

None the longed for Christ would know

But O my friend, my friend indeed

Who at my need His life did spend

V4:

In life no house no home

My Lord on earth might have

In death no friendly tomb

But what a stranger gave

What may I say, heaven was His home

But mine the tomb wherein He lay

V3:

Sometimes they strew His way

And His sweet praises sing

Resounding all the way

Hosanna's to their King

Then "crucify" is all their breath

And for His death they thirst and cry

V5:

Here might I stay and sing

No story so divine

Never was love dear King

Never was grief like Thine

This is my friend in whose sweet praise

I all my days could gladly spend
