

When My Soul Is Weak

V1:

Bm G D A/C#
When my soul is weak and my heart condemned
Bm G D
By the burden of all my sin
Bm G D A/C#
I will fix my eyes on the sinners' friend
Bm G Bm G Bm
Who is calling me to Him, who is calling me to Him

Verse 2:

For He came in flesh and He died in shame
Crushing sin with His sacrifice
And I died with Him so I'll rise again
As the Spirit gives me life, as the Spirit gives me life

Chorus:

G D
O you heights above and you world below
G A
With your danger, drought and sword
Bm G D F#7/C#
You shall never take me from my God
Bm G Bm
Or the love of Christ of my Lord

Verse 3:

So I shall not fear for His love is strong
And in Him I am justified
He will hold me close through the ages long
As He reigns at God's right side, as He reigns at God's right side
